About the definition "Contract" indicates the contract which shows a customer needs to consent this Use Agreement and The cautions on use, and also needs to use application in a procedure our company predetermined by the application deadline. Also, "Contract" means a contract which is about the service between customer and our company after our company consent the application. "Service" refers to the telephone call/communications service which accompanies the communication facility and communication facility which are offered by our company. A "rental period" refers to a (one-day unit) from the "starting date" which a user notifies to an "end date." A "starting date" refers to "the day wishing a receipt of a communication facility" which a user notifies. An "end date" refers to "the return day of a communication facility" which a user notifies. An "effective postmark day" refers to the postmark on less than the 3rd days from the "end date". "The charge of a rental" refers to the charge (the basic charge / charge of a rental / mailing cost / optional service fee (a user arbitrary)) set up by each plan. A "return tool" needs to the C.O.D. check of the envelope only for return of specification of our company, and the specification contractor of our company.

Article 1: Terms and conditions of application These terms and conditions apply to all persons renting mobile phones and the attached accessories (hereinafter referred to as Customers and Phone Kit(s) respectively) from PuPuRu International Co., Ltd. (hereinafter referred to as Our Company).

Article 2: Conclusion of a rental contract 1. The rental contract shall be followed by issuing a confirmation of his/her reservation. 2. Our Company may not be able to provide rental Phone Kit(s) due to such reasons below. (1). Lack of stock of specific phone model which the customer requested. (2). There is a possibility that a customer may break or break this contract.

Article 3: Delivery and return of the phone kit 1. The delivery and return of the phone kit shall be made and confirmed at the place to specify. Our Company shall not be responsible for any delay in delivery due to unforeseen circumstances, even if the delivery cannot be made on the date the application requested. 2. A customer shall check the contents immediately after a rental cell phone receipt. When there is no contact within 48 hours after a receipt from a customer to our company, it is regarded as the customer received and passed in the normal state.

3. A return tool shall use to return of the rental phone kit. However, when it cannot be used according to user negligence, such as loss of a return tool, or when returning by how to specify a user, it becomes return at a user burden. We do not do the cut of the mailing cost which our company defines in that case. 4. The return which passes over an effective postmark day is delayed, and pays the arrears by a postmark day. However, even if it is within an effective postmark day, 5. When the use trace exceeding an end date is accepted, you need to pay arrears.

When other goods are attached at the time of return, our company shall cancel it without a user's consent.

Article 4: Rental period 1. The rental period starts from the day when the Phone Kit is delivered and until the day when the Phone Kit is returned. The date of return is the day the Customer drops the Phone Kit(s) into a mailbox or at post office. In case Customers cannot return the rental item(s) on the final rental day, Our Company shall charge 1,050 Yen per a day as a late charge. 2. The maximum rental period is 90 days.

Article 5: Extension of rental period and change the detail of contract 1. A customer needs to contact our company 3 business days before of an opening day, and the approval of our company shall be obtained when a customer wishes change of the detail of contract. 2. In order to extend the rental period, Customers must notify our Company in advance and it needs to be before the last date of the rental period. In that case, customer needs to pay the charge of extended use commission of 525 yen, and the charge for each plan. In addition, when customer continued using the rental cell phone without approval of our company, customer needs to pay the arrears. 3. An optional service fee is updated automatically and added by the extended days which a customer wishes. In addition, cancellation of optional service shall be impossible in the middle of rental period. 4. It is possible to return the phone kit before the end of the rental period, but the rental fee for the remaining days will not be refunded.

Article 6: Cancellation of application 1. A customer who would like to cancel his/her reservation needs to contact our company immediately. 2. A customer needs to pay JPY3150 per 1 phone kit for cancellation fee within 3 business day from his/her 1st date of rental period. In the case of picking up at the airport, an airport commission earned is added 3. Cancellation after a receipt and after the starting the rental period cannot be performed and the total of charge of a rental serves as a user burden.

Article 7: Charge 1. A customer shall pay in advance the charge of a rental defined by each plan. 2. A customer shall pay the charge which our company defines below after the rental cell phone return. (1) The telephone call/communication fee used during the contract term. (2) The telephone call/communication fee used out of the rental period. (3) The charge of an additional rental fee. (4) Arrears fee. (5) Communication facility price provided in the 9th article and the 10th article. (6) The additional charge of accompanying service 3. Guarantee money may be kept depending on the contents of the application. Moreover, when returning guaranteed money and there is a charge which a user should pay based on the preceding clause, the above-mentioned charge shall be offset from guarantee money, and the balance shall be returned. 4. Issue of a telephone call specification cost an optional fee. However, the inquiry about the contents of a telephone call/communication cannot be accepted.

Article 8: Payment

1. Customers shall pay the rental fees by credit card as designated by the Customer (hereinafter referred to as Designated Credit Card) according to the terms and conditions of the company issuing the Designated Credit Card. If the credit card company does not approve the charges, Our Company may send a bill. 2. The due date for bill payment (corporations only) shall be determined by Our Company. 3. In the payment by a bank transfer, a transfer commission is taken as a customer burden.

Article 9: Control of phone kit, and lost or damaged phone kit 1. Customers shall care for and use the rental Phone Kit(s) for its intended purpose according to the instructions provided by Our Company. 2. If the rental Phone Kit(s) is lost or damaged during the rental period, inform Our Company immediately. In this case, a user shall pay our company the communication facility price in Table 1. 3. The telephone call/communication fee by the third party who arose on the occasions, such as a theft, shall have the duty of payment to a customer. 4. Even when communication facilities carried out, such as a theft, are discovered / recovered after [after settling accounts with a specification card] issue of a bill from our company, communication facility price shall not return.

Article 10: Insurance (optional service) 1. A customer shall be arbitrary at the time of an application, and shall give the insurance optional service of our company. 2. The damage shall be compensated to loss by submersion, defamation, and the theft of a

*This optional service does NOT cover Battery and SIM card.

Article 11: Prohibition 1. Customers shall not attach any other communication devices to their rental Phone Kit(s). Modifications or replacement of any parts of the Phone Kit(s) is prohibited. 2. Customers are not allowed to give, pawn, or rent their rental Phone Kit(s) to any third party nor shall Customers commit any act that violates Our Company's rights with regard to the Phone Kit(s).

Article 12: The treaty in which it does not collateralize A customer shall perform this contract after consent of the following matter. 1. A cell-phone number is used continuously, without changing a call number for every loan. 2. A cell phone may be monitored for radio. 3. Even if it is in the cell phone version map top service area, there is a place which cannot talk over the telephone and it may be unable to use for the sake of the communication enterprise's of a spot convenience etc. 4. Since a cell phone contains breaking down, also under use usual for precision instruments, and an article of consumption, it may deteriorate. 5. Our company undertakes no responsibility about the damage which was produced in (1)-(4) above. Moreover, I do not compensate the damage caused by the ability of a customer to have not used a communication facility etc.

Article 13: Cancellation of this contract 1. When a customer corresponds to either of the following matters, our company shall not do notice notification but shall cancel this contract immediately. In this case, our company shall perform telephone circuit stop disposal of a communication facility. (1). When falsehood is in an application.(2). When a customer's credit standing gets worse remarkably. (3.) When this agreement is broken.(4). When the purpose of using a communication facility are judged not to be suitable in the public order and standards of decency. 2. When there is cancellation of the preceding clause, a user shall return a communication facility immediately, and also shall pay all damage and the debt which were produced by cancellation.

Article 14: Change of this agreement Our company can change without a preliminary announcement of this agreement and each plan rates, when necessity arises. In this case, a customer shall follow the agreement after change. Moreover, it is well-known by updating and the other methods to the homepage of our company in that case.

Article 15 A customer agrees that any dispute arising with respect to these terms and conditions shall fall under the jurisdiction of the Nagoya District Court into agreement jurisdictional court regardless of an amount in controversy, when the necessity for a lawsuit arises about this use agreement and this contract.

Note: These terms and conditions shall be revised and enforced on 11/ 08/ 2008

※ It is regarded as that to which you proposed by the customer's intention when he/she had agreed with use agreement about use of this service. Please confirm on the page of agreement for details. Time defined by following each clause is based on Standard Time in Japan.
